FREE
Evaluation Valve Sample

This offer to any original equipment manufacturer (OEM) with a qualifying project and interest in Humphrey new technology products, including:

- **Balanced Valve Series:** 15, 19, & 25mm direct acting, 3&4 port solenoid valves featuring compact construction, high flow, and ultra low leak rates.
- **PROCONTROL®:** Proportional Solenoid Valves PC3, PC10 and PC30 targeted at the OEM requiring variable valve flow via variable input current.
- **Humphrey iDP :** Series of inert diaphragm-poppet, media separated solenoid valves specifically designed for control of aggressive liquids and gases.
- **HK5:** Miniature diaphragm-poppet direct acting 3-port solenoid valve; Unique universal inert construction ideal for difficult pneumatic and mild liquid use.
