

# California Proposition 65

**WARNING**

**ADVERTENCIA**

Humphrey Products manufactures valves and valve systems. These products can expose you to one or more of the 900+ chemicals which are known to the state of California to cause cancer, and birth defects or other reproductive harm. Some of the substances we are aware of are as follows:

- Lead used in 360 Brass components
- Nickel & Associated Compounds used in plating, stainless steels, aluminum and other materials
- Other compounds found in the plastics and seals used

For more information see “Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”
