

DECLARATION OF CONFORMITY TO ROHS DIRECTIVE
EU RoHS Directive (2002/95/EC) and (2011/65/EU)

Humphrey Products has reviewed the product(s) listed below for compliance to EU RoHS Directive 2011/65/EU. This letter is to declare that the product(s) listed below conform to the RoHS Directive, and do not intentionally contain substances at levels that exceed the requirements of EU Directive RoHS (2011/65/EU) and allowable exemptions as of Dec2018.

Note that Humphrey Products does not routinely analyze its products for substances that are unknowingly introduced into our products or for substances listed in the RoHS directive. The information in this Declaration is to the best of the undersigned’s knowledge, based on accurate information provided by Humphrey personnel and third party suppliers who are directly responsible for the RoHS status of the listed product(s).

In the event any product is proven not to conform to this declaration, Humphrey’s entire liability, will be limited at Humphrey’s option to either (a) replacement of the non-conforming product or (b) refund of the purchased price paid for the non-conforming product. Humphrey Products will in no circumstances be held liable for any other direct or indirect cost and or damages related to the declaration.

The following product(s) listed below conform to the RoHS 2 directive as stated above:

Product Name	RoHS 2 (2011/65/EU) Compliance
310/410	Yes
L310	Yes
320/420	Yes
HK5	Yes
Mini Mizer	Yes
Balanced Valves 153, 154, 193, 194, 253, 254	Yes
ProControl PV3, PV10, PC30, PCRL, PCRH	Yes
ProControl Servoid Series	Yes
iDP 350, 370, 390 Series	Yes
CSV Series Cartridge Solenoid Valves	Yes
A10, A15 Solenoid Valves	Yes
125, 250, 500, 590 Diaphragm-Poppet (Non-Electric) Valves	NA
125, 250, 500, 501 Poppet (Non-Electric) Valves	NA
Quick Exhaust Valves	NA
TAC, TAC2, TAC3 Valves & Accessories	NA

Valves that are (NA) Non-Applicable do not have electric actuation and thus are excluded from RoHS.
