

Declaration of Conformity to RoHS Directive

EU RoHS Directive (2002/95/EC) including amendments

Humphrey Products has reviewed the product(s) listed below for compliance to **Directive (EU) 2015 / 863 including amendments (commonly referred to as “RoHS 3”)**, which includes new restricted substances DEHP, BBP, DBP and DIBP. *Products in the following table that are marked “Yes” conform to this RoHS Directive, and do not intentionally contain substances at levels that exceed requirements and allowable exemptions as of the date stated below. A “No” response indicates either that the product has not had a requirement to be compliant and therefore has not been evaluated or does not meet the Directive for some reason. Products marked “Consult Factory” do not have electric actuation or components but the RoHS Directive may still be applicable depending on how the product is used in the final application, please consult with the factory for additional information.*

Humphrey Products does not routinely analyze its products for substances that are unknowingly introduced into our products or for substances listed in the RoHS directive. The information in this Declaration is to the best of the undersigned’s knowledge, based on accurate information provided by Humphrey personnel and third-party suppliers who are directly responsible for the RoHS status of the listed product(s).

In the event any product is proven not to conform to this declaration, Humphrey Product’s entire liability will be limited at Humphrey’s option to either (a) replacement of the non-conforming product or (b) refund of the purchased price paid for the non-conforming product. Humphrey Products will in no circumstances be held liable for any other direct or indirect cost and/or damages related to this declaration.

Product Name	RoHS 3 (2015/863/EU) Compliance
310/410 Series	Yes
320/420 Series	Yes
HK5 Series	Yes
Mini Mizer Series	Yes
Balanced Solenoid Valves 153, 154, 193, 194, 253, 254	Yes
ProControl™ PV3, PV10, PC30	Yes
ProControl™ Servoid Series	Yes
iDP 101, 350, 370, S390 Series	Yes
CSV Series Cartridge Solenoid Valves	Yes
A10, A15 Solenoid Valves	Yes
B250, B500, B590 and B501 Series Electric Valves	Yes
iDP 300 Series	No
Mini-Myte 31 & 41 Series Electric Valves	No
Tyna-Myte 062 & 125 Series Electric Valves	No
B250, B500, B590 and B501 Series Electric Valves	Yes
125, 250, 500, 590 Diaphragm-Poppet (Non-Electric) Valves	Consult Factory
125, 250, 500, 501 Poppet (Non-Electric) Valves	Consult Factory
Quick Exhaust Valves	Consult Factory
TAC, TAC2, TAC3 Valves & Accessories	Consult Factory
